

SHIVANI DHRANGU

Frontend Developer | BCA Student | Surat, Gujarat | +91 7096027481 | shivanidhrangu@gmail.com

Portfolio: kavaalya-yoga-v1.vercel.app | GitHub: github.com/maheshvariahir

PROFESSIONAL SUMMARY

Passionate Frontend Developer and BCA student experienced in building responsive web apps using HTML5, CSS3, JavaScript, PHP, and MySQL. Skilled in modern UI/UX design, clean code structures, and live deployments via Git, GitHub, and Vercel. Seeking an entry-level Frontend Developer role to drive technical impact.

TECHNICAL SKILLS

- **Languages:** HTML5, CSS3, JavaScript (ES6+), PHP, MySQL
- **Frontend:** Responsive Web Design, Semantic HTML, CSS Flexbox, CSS Grid, Media Queries, DOM Manipulation, Mobile-First, CSS Animations
- **Tools & Core:** Git, GitHub, Vercel, VS Code, XAMPP, phpMyAdmin, Cross-Browser Compatibility, Web Performance

PROJECTS Kavaalya Yoga Institute Website | HTML5, CSS3, JavaScript, Vercel

- Developed a fully responsive 10+ page professional yoga platform from scratch without templates using reusable CSS architecture.
- Designed a modern mobile-first UI with smooth animations and cross-browser compatibility.
- Deployed live on Vercel and managed version control via Git and GitHub. (Demo: kavaalya-yogav1.vercel.app)

Nexus Market – eCommerce Platform | HTML5, CSS3, JavaScript, PHP, MySQL

- Built a 25-page responsive eCommerce website featuring product catalogs, carts, auth, and checkout workflows.
- Engineered backend logic using PHP/MySQL and managed relational data via phpMyAdmin; implemented UI with Flexbox, Grid, and Glassmorphism.
